About us

ABOUT THE HOSTS

Hello!

Thank you so much for deciding to stay at our tiny house! We are a young company that just started building vacation homes called Kenshó Unique Stays. My Co-Founders and I invested our full heart, motivation and knowledge to build these unique Kenshó Unique houses. We love the Rae Golf Course and that's why we've placed our first house here. Soon you will be able to find us in other amazing locations.

We love spending time in our Kenshó Unique Stay and we hope you will too. We want to make your stay as comfortable as possible and we are available to answer and questions you may have during your stay.

We are most accessible by text, WhatsApp or email during the day. Thank you again, and we look forward to welcoming you to Kenshó Unique Stay @ Rae Golf.

Getting around

– *Suuresta*

TAXI

Taxis are an affordable mode of travel in Estonia. You may ask the Golf Club for them to order you a cab, but we can also recommend using UBER or BOLT.

UBER / BOLT

If you use our referral code, your first ride with UBER will be free: uberbons2015. To get to the airport in an Uber is approximately 14 €. To get to the city center of Tallinn approximately 16 €

CAR

Due to the remote location we recommend to come by car / taxi. All big rentals have a station at Tallinn Airport. Parking is for free at the site.

Other listings

We are proud to have a couple other listings available on Airbnb. If you are interested in renting these as well, please get in touch with us. If there is anything else we can do during your stay, please let us know. Thank you.

RELAXATION ON THE COUNTRYSIDE

Looking for a real quiet place for some days on the countryside? Located in the middle of a beautiful meadow with a stunning view you're at THE spot to start exploring South Estonia.
